## FITTING DISTANCES

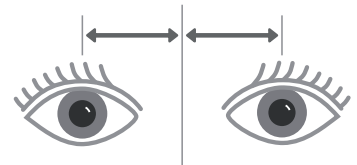

HORIZONTAL FITTING DISTANCE

(R) \_\_\_\_ mm (L) \_\_\_\_ mm

VERTICAL FITTING DISTANCE

(R) \_\_\_\_ mm (L) \_\_\_\_ mm

PUPIL DISTANCE

(R) \_\_\_\_ mm (L) \_\_\_\_ mm

## FRAME AVAILABILITY

Most frames can be converted for PTOSIS props. If you are working from the fitting box set, these are available ex-stock, you don't have to send the frame in. The fitting set enables trial to determine the most comfortable and suitable for individuals. **However, other styles can be converted to take any one of the five prop designs.**
